Midwinter Madness kicked off February 2nd. This year, money raised will go to **The Seed School**. (Photo credit: Grace W.)

NEWS FROM CORBET CLARK, INTERIM HEAD OF UPPER SCHOOL

We are fortunate in Upper School that the gloom of February is dispelled by our Midwinter Madness, which is now in full swing. This student-planned and run series of fun events is designed to build community, relieve some stress and also to raise money for a good cause, which this year is an early childhood education program in the town of Gbarnga, Liberia, a project developed by a former Peace Corps volunteer and current Lincoln High School teacher. The money students raise will go to building a schoolhouse in an under-served area. Your support for the various MWM events and fundraisers (e.g. t-shirts, bake and soda sale, basketball and volleyball events) is much appreciated.

If you haven't had a chance yet to hear a State of the School presentation, there is another opportunity on Monday, February 13th, from 8 to 9 am in the Platt Global Classroom in Upper School. This presentation by Head of School Mo Copeland is open to all parents.

Last Friday, February 3, was our first opportunity to try out the new Remote Learning Protocol for Upper School, to enable students to continue their school work even when school is closed. This is a temporary plan for this year, which we will review at the end of the year. But early reports are that it works, even if imperfectly. Each class had a designated time to meet, and teachers had the chance to offer work that could be done either at home or online. We hope that by doing this we can avoid having to add extra days to the Upper School calendar in June.

(NEW) AN EVENING WITH THE AUTHORS OF *THE 10 MYTHS OF TEEN DATING*

OES parents, and students grades 8-12, have been generously invited to join the Catlin school community for an evening with the authors of *The 10 Myths of Teen Dating* on Monday, February 13, from 6:00 PM – 8:00 PM in the Cabell Theater on Catlin's campus. Authors Daniel Anderson M.Ed. and his daughter, Jacquelyn Anderson M.Ed., present their experiences on this topic from the perspective of the parent-child relationship as well as that of local public school educators. There will also be an opportunity for a break-out session for parents and students to have further discussion. It looks to be an interesting evening, as well as a great opportunity to connect with another school community! Please contact [Amanda Weber-Welch](#) at OES if you have further questions about this event.

(NEW) FOESL & GOBS

Friends of OES Libraries (FOESL) is starting to coordinate this year's Great OES Book Swap (GOBS), planned for the week of April 24th.

As we move from hosting GOBS every other year to every year, this is a great time to get involved.

If you were inspired to clear out your bookshelves over winter break or as part of a New Year's resolution, please save your books to share at GOBS! We will look forward to collecting gently used children's, young adult, and adult books (no textbooks, please) to share and exchange within our community this spring, with any remaining books being donated to local libraries or charities. We're likely to be able to start accepting donations the week of April 17th.

Please also consider joining us at a future meeting of FOESL to help plan campus events that celebrate our community's love of books and reading, including author visits, literary festivals, and the now-annual GOBS event.

Friendly people. Fun events. Small time commitment!

Upcoming meetings on Tuesday mornings 8:05 - 9:30 am in the DVR:

February 28th
April 18th
May 23rd

Changes posted to FOESL website if any occur.

MIDWINTER MADNESS

WINTER FUNDRAISER TO BENEFIT *The Seed School*

The Upper School's annual winter fundraiser, **Midwinter Madness**, will run Feb 2-Feb 14 and this year will raise money for **The Seed School**. This Portland-based nonprofit is designing, constructing and running a school in Liberia focusing on providing early childhood education. Parents are encouraged to attend and support the various Midwinter Madness events.

This year's planned events include:

- **Juice sales: Feb 2-12** For only \$2, a student (and parents!) can send a bottle of IZZE to a friend or someone who is "their main squeeze." For \$3 a student can send an IZZE with her or his identity blocked. For \$1 a student who has received an IZZE can find out who sent him or her the drink (unless the identity is blocked). Virtual IZZEs are also available to send to OES alums. Parents please email [Bettina Gregg](#) or [Liz Weiler](#) to arrange IZZE orders.
- **GorillaGrams: Feb 2-12** Have your IZZE delivered by a dancing gorilla or giant bunny! Prices vary, but start at \$20.
- The annual **Senior-Faculty Basketball Game**, at 3:20 pm Friday, Feb. 10, in the OES gym. Admission: \$5.
- **OES-Catlin Gabel Volleyball Event**, at 6:00 pm Friday Feb. 10, in the OES gym. Admission to play or watch is \$5 per person.
- **Mega-Bake Sale, Feb.6-10** in the Great Hall, from 7:30 am until baked goods run out each day.
- **Parent Participation Plan:** If you are just excited about supporting the great work of **The Seed School**, you may write a check or charge to your student's OES account whatever amount you think is appropriate.

Parents, please be aware that students will be allowed to charge Midwinter Madness purchases to their OES accounts. You may wish to discuss with your child some limitations on these charges. Midwinter Madness purchases may also be made with cash or with checks made out to OES (please indicate "Midwinter Madness" in the memo space). Approximately 50-75 percent of all Midwinter Madness purchases are tax-deductible, depending on the event/item.

If you have questions about Midwinter Madness, please contact the faculty coordinators, [Bettina Gregg](#) or [Liz Weiler](#).

OES AARDVARK SCIENCE EXPO

Parents, family, and friends of the OES community are invited to visit the OES **Aardvark Science Expo** where Upper School research projects/exhibits will be on display.

On **Thursday, February 23rd**, from **8:00 AM – 5:00 PM**, the exhibit hall in SPARC Gymnasium is open to the public. This is an excellent time for members of the entire OES community to spend time perusing the wide array of 200+ incredible projects and reading exhibit boards. Student exhibitors will not be with their projects for interviews.

On **Friday, February 24th**, after judging, there is an open house from **6:30 – 7:30 PM**, followed by the awards ceremony from **7:30 – 8:30 PM**. Buses will run between SPARC and the lower lot by the athletic fields from 6:20–9:00 pm. Parking at SPARC by permit only; if you would like a parking permit for SPARC, inquire at the Upper School office.

Would you like to help as a **judge** or volunteer? If you have science degree, work experience, or extensive knowledge in any of the scientific disciplines and your children are not attending upper school yet, please consider volunteering as a science fair judge. If you cannot judge, please consider asking your friends or colleagues to volunteer for our event. Breakfast and lunch provided. Visit the [Volunteer Opportunities page](#).

(NEW) CLASS OF 2017 GRAD PARTY

Attention all Junior Parents - the Grad Party volunteer "Sign Up" link is open!

Every year, the current 11 grade parents host an all-night party for the graduating seniors. This event provides the graduates with a fun, safe and memorable night to close out their OES experience.

This is an OES tradition, and 11 grade parents will receive the same benefit next year when our kids graduate. As you can imagine, it will take a lot of volunteers to help run the event and we'd love to have 100% participation from our 71 local 11th grade families.

The date is June 16th 2017 (Friday) to early morning of June 17th 2017 (Saturday). The graduation party will be held at a location conveniently located close to OES. Volunteers will be told the location as we get closer to the date - please help us keep the secret!

The sign up link is available now on the OES website (OES/Parents/Volunteers/US) and [HERE](#). There are three shifts to cover the night.

Please take a minute to sign up for a shift or two, and use the upcoming conference dates to do your DHS check. OES requires that all volunteers must have a DHS background check. If you need one, the application process only takes 5 minutes but you must be present at upper school administration office with your photo ID. However, the approval process actually takes 4 to 6 weeks - so we ask you to get this started as soon as possible. The US office is generally open between 8:00-4:00 and will be accepting applications during conferences. If you need to schedule something outside of these hours, or have any volunteer questions, please contact [Julie Solomon](#) or [Jessica McVay](#).

Don't forget to recruit your friends and your spouse to signup, too! We need everyone's support to make this night a success!

FROM COLONY TO COUNTRY: SUMMER TRIP WITH RON SILVER

Ron Silver, historian extraordinaire and famed Winterim guide, is leading a summer trip to Boston and Philadelphia. Please e-mail [Kati Stenstrom](#) to sign-up.

Dates: June 20-28, 2017

Cost: \$1300-\$1500 per person based on double occupancy. Cost does not include meals or airfare.

Participants: Open to parents with students (entering 9th grade or older) and to students entering 10th grade or above without parents. 12 participants only.

Course instructors: Ron Silver, Colleen Shoemaker

Description: This trip is a chance to explore the events and factors that changed 13 independent colonies into the United States of America. We'll use Boston and Philadelphia as the base to experience how we went from content subjects of a far away King to revolutionaries wanting our own government. In the Boston area we'll spend two days walking the Freedom Trail, reliving the Boston Massacre, the Boston Tea Party, the start of Paul Revere's ride (with William Dawes as well) and look at Colonial life. We'll wrestle with the conflicts of John and Sam Adams, James Otis and John Hancock, all wanting revolution, and Governor Hutchinson and General Gage, good men, who wanted order and the status quo. We'll spend one day at Lexington Green where "the shot heard round the world" was fired and then on to Concord to the "rude bridge that arched the April flood", as the Regulars first realized the rabble would shoot back, and not back down. After that we'll travel via high speed Acela train to Philadelphia, where both the Declaration of Independence and the United States Constitution were authored. We'll go to Carpenter's Hall, where the First Continental Congress met, Independence Hall where our government was created, as well as other buildings that served as the nation's capital before the establishment of Washington, D.C. We'll also spend a day at Valley Forge to fully appreciate the experience and sacrifice of the Revolutionary War soldier.

Travel: In an effort to accommodate family summer travel plans, the trip group will meet in Boston on the evening of June 20. Students traveling without a parent will be welcome to travel one or both directions with trip leader Ron Silver, flying into Boston and out of Philadelphia.

9th Grade Parent Night—College Admissions and Finding Balance in a College Prep School

Monday, March 20 @ 7:00-8:30 p.m. in the Great Hall

Please join us for an evening presentation regarding what parents of freshmen need to know about college admissions. As your child makes choices about academics and extracurricular activities, we want you to be well informed about how this all works in relation to college. We find that a college night early in high school helps alleviate stress, gets accurate and well-timed information into your hands, and puts you in an even better position to support your child.

College Board Accommodations

Since the College Board announced plans to streamline its process for students seeking accommodations starting January 2017 parents and educators have awaited details about how these changes might facilitate access for more students. Press releases indicated students with school-based accommodations would be eligible for accommodations on these high-stakes tests. The College Board page for [students with disabilities](#) now describes what applicants can anticipate once the new system is in place. According to that page the College Board will continue to require documentation of disability and a formal learning plan, and is developing a new system for applicants from private and independent schools by March 2017. OES students with learning plans and those who actively use their in-school accommodations are likely to benefit from the College Board's shift towards accommodating a greater range of disabilities but the changes do not appear to include our international students or those with informal accommodations. If you have questions about in-school, College Board or ACT accommodations please visit Colleen Shoemaker's [OES page](#) or contact me at shoemakerc@oes.edu.

Please note the following test dates and registration deadlines. Enter the school code when you register (380915) and if you are taking the ACT, it is important to include the optional writing test.
